APPLICATION FOR PROFESSIONAL ENGINEER LICENSURE BY COMITY

INSTRUCTIONS: Applicants should read all statutes, rules and regulations for specific details regarding requirements. All statutes, rules & regulations are available on our website.

- ◇ Application must be complete and received by KSBTP 30 days prior to the next scheduled meeting of the Board. See schedule of KSBTP Board Meetings on our website.
- ◇ Certificate of Authorization: If you will be practicing or offering to practice through a business entity in Kansas the business entity must have a Certificate of Authorization approved by our Board in order to be in compliance with the law in this state. To review the statutes and rules governing Kansas licenses, Certificates of Authorization, plus important announcements and other related information, please see our website.

A COMPLETE APPLICATION WILL INCLUDE THE FOLLOWING:

1. **COMPLETED APPLICATION FORM** — Print completed form, sign and date, then send all information to KSBTP. Pending applications are kept on file for one year.
2. **NON-REFUNDABLE APPLICATION FEE \$250** — Make check or money order payable to: *Kansas State Board of Technical Professions*
3. **NCEES RECORD** — KSBTP accepts the NCEES Council record. Send page 2 of this application to KSBTP. Request a council record containing transcripts, references and experience be sent directly to KSBTP. (www.ncees.org)
4. **TRANSCRIPTS** – Official transcripts are required for all educational credit claimed. Send an "official," sealed transcript or have the school send a transcript directly to KSBTP. Do not send photocopies or unsealed transcripts. If officially licensed after January 1, 1993, foreign baccalaureate engineering degrees must be evaluated by NCEES. (See Special Instructions on page 8.)
5. **PROFESSIONAL REFERENCES** — Applicant is required to have a minimum of three licensed professional engineers as references. Four years of experience must be verified by a person familiar with your engineering experience. Any licensed individual who verifies your experience may be counted as one of the professional references. K.A.R. 66-10-9(d) requires that these professional engineers be licensed in the United States. Send a copy of the completed professional experience record with reference form instructions (Page 6) to the three references. Professional reference forms must be returned directly to the board office from the person supplying the information. Relatives may not serve as references. The Reference Forms may be 'handwritten.'
6. **VERIFICATION OF EXAM** — Request an electronic verification through the NCEES verification system for all exams and one current license. Go to <https://account.ncees.org/login>. Once you login click on "Exam verification" and "License verification" from the "Common Tasks" shown on the dashboard screen. Once the process has been completed and the Kansas Board has been sent your verification, you will receive an email notice. If the State Board you are requesting verification from is not listed on the NCEES form, contact that Board for instructions.

Application is not complete until the application and supporting documentation have been received by the board office. Only complete applications will be submitted to the Board for evaluation. Applicant will be notified in writing of Board action.

**MAIL COMPLETE APPLICATION FILE TO KSBTP AT ADDRESS LISTED ABOVE.
Handwritten or incomplete forms will NOT be accepted.**

Keep a copy of this application for your records.

PROFESSIONAL EXPERIENCE RECORD

Important: Read all instructions in this section before completing experience record.

1. In chronological order beginning with date baccalaureate degree was conferred, enter month and year of all engagements, (engineering, non-engineering and times of unemployment). The letter (a) designates the first engagement. Letter subsequent engagements consecutively with (b), (c), etc. Engagements can be divided by company, by job title or time of unemployment. Do not leave any time gaps from graduation to the present.
2. In column 3, state the title of your position, and the name and address of your employer. If you have been employed by more than one employer, each is considered a separate engagement. Engineering engagements must be explained in detail **giving at least two specific project examples**. Non engineering or unemployment entries need only a brief explanation of activities during those times. No references are needed for non engineering engagements.
3. Using *years* and *months*, enter total time spent on engagement (or time of unemployment) in Column 4. Enter the portion of your time spent in activity other than engineering in Column 5 (Non-Engineering). Enter the portion of your time spent in engineering in Column 6 (Engineering). Columns 5 and 6 should equal Column 4. **Enter totals on last page only. Use more pages if needed.**
4. In column 7, enter the name and professional license number of the individual who will verify each engagement. Send reference forms (Pages 6 and 7) and a copy of the Professional Experience Record to each individual listed in this column. Each engineering engagement must be verified to obtain credit. Applicant is required to have a minimum of three licensed professional engineers as references even if experience is exempt from the direct supervision of a licensed engineer. If the supervisor is not licensed, additional references from licensed engineers are required. NOTE: Any engineering work performed after May 1, 1988, must be under the direct supervision of a licensed professional engineer, except that direct supervision of a licensed professional engineer is not required of the employees of any person, firm, or corporation not offering services in the technical professions to the public, K.A.R. 66-10-9(b)(2).

NOTICE OF REFERENCE REQUEST

APPLICANT INFORMATION: (To be completed by APPLICANT)

1. APPLICANT NAME: _____
2. Date for form to reach KSBTP: _____

Reference Name: _____

Reference Address: _____

To the Reference: Any engineering experience credit requested after May 1, 1988 for an exam applicant, must be performed under the direct supervision of a licensed Professional Engineer, unless that work is exempt from this requirement as defined in K.A.R. 66-10-9(b)(2). The applicant listed above has given your name as a supervisor for or one who is intimately acquainted with one or more experience engagements listed in the experience record form accompanying this reference form. This Board is required by law to obtain evidence of the technical ability of applicants for licensure. Statements by responsible individuals with personal knowledge of the applicant's qualifications will be considered as evidence. Additional information may be attached. The Reference Form may be 'handwritten'. Please write legibly.

The Board would like to emphasize that evidence submitted on this form must not be perfunctory nor made for the mere purpose of aiding the applicant to be licensed. The execution of this statement will be accepted by the Board as a deliberate act made with full knowledge of the responsibility to protect the public health, safety and welfare. It should be borne in mind that the applicant is not being considered for membership in an organization but for licensure as a professional engineer in Kansas.

Since the Board cannot process this application until receipt of this reference, a prompt reply will expedite the handling of the application. **Your professional seal is required on this form. If you have no seal, please send a copy of your license, pocket card, or online verification.**

THIS INFORMATION WILL BE TREATED IN THE STRICTEST CONFIDENCE.

The **REFERENCE FORM FOR EXPERIENCE VERIFICATION** (which should be enclosed with this Notice) is to be returned directly to the board office:
