

Renewal Portal *Open* for Professional Engineers (A-L)

PE licensees with last names beginning with letters A-L must renew their professional license by the expiration date of 04/30/2018 to stay in good standing. Official renewal notices are being mailed from the Board office and contain information to register for online renewal. If you already have a User ID and Password from previous renewal periods you may renew anytime by accessing the portal on our [Individuals Renewal Page](#). A paper renewal form is also available for download and submission. Please contact the Board office if you do not receive your notice by 03/30/2018.
