

Professional Engineers: Expired Licenses will Cancel on 6/29/2017

If your license expired due to failure to renew on time, you may still utilize the renewal portal through 06/29/2017 to renew the expired license back into Active status. Second renewal notices were emailed on 5/11/2017. You may **not** practice with an expired status. All licensees that fail to renew by 06/29/2017 will be cancelled.
