Open Records Policy Brochure

Pursuant to the Kansas Open Records Act
K.S.A. 45-215 *et seq.*

It is the official policy of the Kansas State Board of Technical Professions (KSBTP) that public records maintained by the KSBTP be accessible to the public in accordance with the Kansas Open Records Act, K.S.A. 45-215, *et seq.* Access to public records will be provided timely, with due regard for the privacy of the individuals licensed by the KSBTP, and with due regard for preserving the records maintained by the KSBTP and preventing excessive disruption of the agency's essential functions.

Your Rights and Responsibilities Under KORA

It is your right to:

- Inspect and obtain copies of public records which are not exempted from disclosure by specific law.
- Obtain a copy of the agency's policies and procedures for access to records, and to request assistance from the KSBTP's Record Officer.
- Expect to receive a written response to your request within three business days after receipt of the request.
- Bring a private lawsuit in district court or file a complaint with the Office of the Kansas Attorney General or the County or District Attorney if you feel you are wrongly denied records that you have a right to access.

It is your responsibility to:

- Request identifiable records. KORA does not require an agency to provide information, answer questions or create records.
- Put your request in writing and include the name, mailing address and phone number of the person requesting the record. See attached Open Records Request Form for assistance.

KSBTP's Responsibilities

We must:

- Adopt procedures to be followed in requesting access to and obtaining copies of public records.
- Appoint a Freedom of Information Officer who can answer your questions and settle disputes under KORA.
- We must have a records custodian available during all regular business hours and have procedures for allowing access on those business days when regular office hours are not maintained.
- Make facilities available to you for inspecting our records.
- Redact the exempt information and provide you with the remainder of the record if a document partially contains exempt information.
- Provide you with a written statement citing the specific provisions of the law under which we are denying access if you so request. For a list of exempt records under the KORA, see K.S.A. 45-211. Note that other state and federal statutes may also restrict access to certain records.
- Act upon request for documents within three business days of receipt of the request or give you an explanation of the reason for delay.

- Mailing address, email address, and phone number where the requestor can be contacted

- The attached Open Records Request Form contains all of the information the KSBTP requires. You may use it to submit a request to the Board. The form is not required to be used.

In accordance with KORA regulations, you may be charged the cost of providing open records information. The estimated fees MUST be paid BEFORE the agency processes the request or provides access to the requested records.

Requests for Electronic Format Records

The official records custodian or the designated records custodian will be the sole judge of the ability of the agency to comply with any request for the records to be provided in electronic format.

Response Time

The agency will act upon requests as soon as possible, with some response being made to the requestor no later than the third business day following the receipt of the request.
