

KANSAS STATE-SPECIFIC LAND SURVEYING EXAMINATION EFFECTIVE BEGINNING WITH THE 10/26/12 EXAM

The Kansas State Board of Technical Professions has determined that beginning with the October 2012 exam the state-specific surveyor exam will be split into two parts. Passing this exam is required of each applicant for an initial surveying license and those applying for a Kansas surveying license by reciprocity. Part I and Part II of the exam will each be a separate one-hour exam. Both parts of the exam will remain open-book.

<u>PART I – GENERAL</u>		<u>PART II - US PUBLIC LAND SURVEY SYSTEM</u>	
One Hour all Multiple Choice		One Hour Multiple Choice and Mathematical Problems	
Kansas Minimum Standards for Property Boundary Surveys	54%	Original GLO procedures, the GLO System as applied to Kansas, GLO Section protraction	30%
Rules and Statutes of the Kansas Board of Technical Professions	27%	Numerical calculator problems applied to USPLSS for KS (Calc)	37%
Kansas State Plane Coordinate System	11%	Resurveys of the US Public Land Survey System	33%
Kansas Riparian Boundaries	8%		

You must have successful results on both parts to pass the exam. You may register for one or both parts during an exam administration. Please go to our website and review K.A.R. 66-8-6 Reexamination at www.ksbtp.ks.gov. Any applicant who fails an examination on the first attempt may take the examination two additional times without having to address the deficiencies on their performance sheet. You have three attempts to pass Part I and three attempts to pass Part II.

See www.ncees.org for exam specifications for Fundamentals and Principles and Practice examinations.
