EDUCATION

Educational credit is given for degrees accredited by the National Architectural Accrediting Board (NAAB). The Kansas Board does not accredit any educational institutions or programs. NAAB is the only accrediting body for professional degree programs in the U.S. NAAB accredits the professional programs within the schools, not the schools themselves.

FOREIGN DEGREES MUST SUBMIT THE FOLLOWING:

- Favorable EESA Evaluation (this is typically included in the NCARB record.)
- Original transcript of grades. The transcript shall be forwarded to the Board directly from the University.
- If transcript is not in English, you shall contact the university and request that an original transcript be forwarded directly to a United States independent, unbiased translation service, who in turn, is to forward the official translation to the Board office.

PROFESSIONAL REFERENCE REQUESTS

Applicants are required to provide three references that can reflect on diversity of their experience and are personally acquainted with their professional reputation. A completed experience verification form counts as a reference. If you have at least three licensed architects verifying your architectural experience on the “Experience Verification Request” forms, you do not need to provide other professional references. Should you need to provide additional references that have not been in direct supervision of your work to meet the requirements listed in K.A.R. 66-10-1 (provided on page 2), please use the “Professional Reference Request” form included in this application.

- Reference forms may be handwritten.

Send each reference a “Professional Reference Request” form to complete (page 10). Completed references must be mailed directly to the Board office and may not be submitted by the applicant.

If you require additional assistance regarding application requirements or in completing the Architect by Reciprocity Application, please contact the Kansas Board in one of the following ways:

Send an e-mail to Board office staff at KSBTPAdmin@KS.GOV with your inquiry and a staff member will answer as soon as possible. You may also send a request for phone call to this e-mail address and a staff member will call the phone number you provide within one business day to assist you.
