

## KANSAS STATE BOARD OF TECHNICAL PROFESSIONS DISCIPLINARY REPORT SUMMER 2021

### IN THE MATTER OF REGION LAND SURVEY, UNLICENSED CASE NO. 20-72

**Summary:** In April of 2020 the Board office received a complaint regarding Region Land Survey. The complaint alleged a violation of the Kansas Technical Professions Act. The complaint centered around a survey completed by Region Land Survey that allegedly was incorrect. The Board office had not issued a Certificate of Authorization to Region Land Survey to provide surveying services in Kansas.

**Board Action:** The board found Region Land Survey in violation of K.S.A 74-7036(a).

Specifically, practicing surveying without a Certificate of Authorization.

The conduct of Region Land Surveys, as outlined above, constitutes violation of the laws of the State of Kansas.

**Board Action:** The Board issued a cease and desist order until such time that Region Land Survey is issued a Certificate of Authorization.

**Status:** The case was closed 12/3/2020.
